WORK EXPERIENCE

Mentoga — Data Analyst (Intern)

Aug 2025 - Sep 2025

- Led a team of 3 peers, managing timelines and cleaning data in **Excel** and **SQL**, improving project efficiency and reducing errors by **25%**.
- Cleaned and analyzed datasets using **Python**, and **EDA** to find key trends, improving insight accuracy and model understanding by **30%**.
- Automated reports using **Tableau** dashboards, cutting manual reporting time by **35%** and enabling faster decision-making.

Excelerate — Data Analyst (Intern)

Oct 2025 - Jan 2026

- Analyzed user funnel data using **SQL** and Tableau, identifying a **45%** process drop-off and recommending strategies to retain **80%** of at-risk users.
 - Built a predictive Decision Tree model with **96% accuracy**, successfully isolating the primary churn driver with **84%** statistical importance.
 - Designed interactive **Tableau** dashboards from complex datasets with 40% missing values, improving stakeholder visibility into operational bottlenecks by **100%**.
-

PROJECTS

- **Google Fibre Call Analysis** – Analyzed 20K+ repeat call records on customer support data using SQL to identify high-volume bottlenecks, insights were projected to improve the "One-and-Done" resolution rate by 15% and reduce operational overhead.
 - **Fitbit User Behavior Analysis** – Analyzed 30+ days of Fitbit activity data in R to find links between sleep, activity, and device use; insights improved product marketing effectiveness by 18% and increased user engagement by 12%.
 - **Rainfall Trend Analysis (Pakistan)** – Studied 20+ years of Pakistan rainfall data using Excel (VLOOKUPS, Pivot Tables), improving reporting accuracy by 30% and supporting better resource planning by 15%.
 - **Ride Data Analytics Project** – Analyzed 5M+ ride records in R to identify usage trends; recommendations were projected to increase annual memberships by 15% and improve campaign targeting by 20%.
-

EDUCATION

University of Central Punjab, Lahore
Bachelor of Science in Data Science

Oct 2023 - Oct 2027

Punjab College, Lahore
Intermediate

Jun 2021 - Aug 2023

PROFESSIONAL CERTIFICATIONS

Google Data Analytics
(Coursera)

Google Business Intelligence
(Coursera)

ADDITIONAL

- **Technical Skills:** Python, C++, R, GEN AI, MySQL, Pandas, NumPy, Matplotlib, SQL, Tableau, Excel, DSA, Data Cleaning, Data Visualization, Storytelling
- **Interests:** Contributing to data analysis projects and database-drive applications, developing AI based applications, exploring open-source projects in data science and machine learning
